

## Concept 1 - Story Time

Place to read, imagine, write, create, play

- Colorful painted logs located at Virginia Ave edge of park for a boundary and seating for bus stop.
- Oversized lawn chairs circled around center of space
- Story stepping stones of various size and color are located in two areas of the park. Each engraved with a different graphic, inviting the child to create a story along the way.
- Add a little free library in the park for parents to read to their child, find a new book, etc.

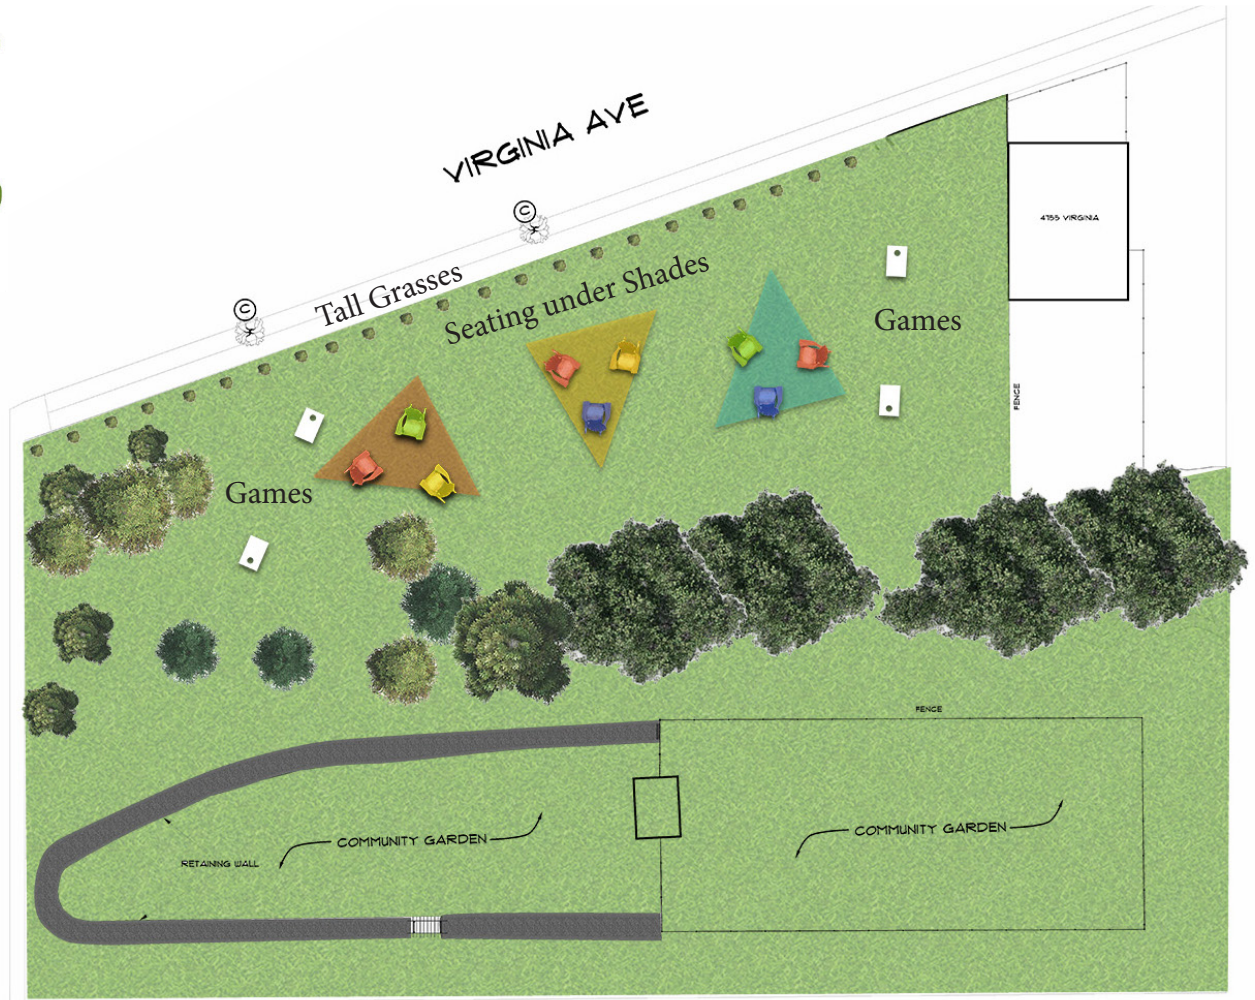

## Concept 2 - Backyard

Place to relax, play, build community

- Plant tall grasses around partial perimeter of space
- Oversized lawn chairs under triangle shades. Use barrel method as we did at DUC Park. We could paint the barrels.
- Include permanent park games

### Concept 3 - Center Stage

Place to perform, entertain, and play

- Circular rotunda at center of space. New concrete with a colorful mural.
- Oversized lawn chairs around rotunda
- Musical pipes around rotunda for people to play and perform. These would be near the perimeter so that if there was a more formal concert, they wouldn't be in the way of the performance.

## Concept 4 - Gather

Place to relax, entertain, and build community

- A mulch or gravel half circle installed over previously concrete portion of space
- Colorful boulders double as seating installed inside the gravel area
- Fence installed to protect privacy of residential home on South side of park. Use surface as a mural and backdrop for any entertainment.
